

Solutions

Chapter 1 Computer A machine

Check you knowledge (Page 7)

- (1) Sewing Machine (2) Washing machine (3) Remote control
(4) car

Practice time (Page 10)

(A)

- (1) machine (2) fast (3) electricity
(4) man made (5) inerts faster

(B)

- (1) i) mobile (2) i) tired (3) (i) winemake mistakes
(4) ii) Smart phone (5) i) to calculate (6) i) nature & humans
(7) i) easies (8) i) battery (9) ii) desktop
(10) ii) false.

(C)

- (1) Humans made machine (2) Microwave oven (3) Clock & Remote control
(4) (i) It never makes mistakes

(D)

- (1) Computer is an electronic machine that makes our work easy & fast.
(2) Desktop computer Laptop computer
(i) It is a common form of computer (i) It is a convenient form of computer
(ii) It is heavy (ii) It is light
(iii) It takes a lot of space (iii) It takes less space

(E)

- (1) Laptop computer (2) Smart phone

Chapter 2 Parts of a Computer

Check your knowledge (Page 14)

1. False (2) True (3) False

Practice time (Page-16)

(A)

- (1) Brain (2) Monitor (3) Mouse pad
(4) Keyboard (5) CPU

(B)

- (1) (i) CPU (2) (i) Typing (3) (i) Pointing
(4) (i) Motherboard (5) (ii) Printer (6) (i) Keys
(7) (i) Mouse (8) (i) Monitor (9) (i) Touch screen
(10) (i) Letter

(C)

- (1) Mouse is used to point objects on computer screen.
(2) Speakers.
(3) Keyboard is used to enter text/data in computer.

(D)

- (1) CPU Stands for control processing unit
(2) A Computer has four main parts keyboard, monitor, mouse & CPU
(3) Different parts of computer are essential to run it.

(E)

- (1) Speaker (2) Scanner

Chapter 3 Mouse

Check your knowledge (Page-19)

1. True (2) False (3) True

Practice time (Page 21)

(A)

- (1) Mouse pad (2) Scroll sheet (3) Click
(4) Scroll (5) three

(B)

- (1) (i) Pointing (2) (i)  (3) (ii) Left
(4) (i) Mouse (5) (i) True (6) (i) writing hand
(7) (ii) Left (8) (i) Right (9) (ii) Index finger
(10) (i) Scroll sheet.

(C)

- (1) Scroll sheet is used to move up and down in a page.
(2) The left click of mouse is used to select an activity.
(3) Left mouse click.

(D)

- (1) The Right click of mouse is used to control an activity once it has stated.
(2) Mouse pad is a rubber like that surface which is used to provide smooth area for mouse to Provide smooth area for mouse contacts it from dust
(3) Three are two button in a mouse.

(C)

- (1) Kisan is using a mouse pad
(2) Two time lift mouse click

Chapter 4 Keyboad

Check your knowledge (Page-19)

- (1) True (2) false (3) True

Practice time (Page-27)

(A)

- (1) Space bar (2) Congest (3) Arrow Keys
(4) 4 (5) Back space

(B)

- (1) (ii) Enter both centers & number (2) (i) longest Key
(3) (i) erase data (4) (ii) shift key (5) (ii) Space bar key
(6) (i) Special key (7) (i) delete key (8) (ii) cusser
(9) (i) Two (10) (ii) Arrow

(C)

- (1) A standard keyboard has 108 keys
(2) Space bar is the largest key in the keyboard

(D)

- (1) Number keys
(2) Space bar key is used to provide space between two words or number.

(E)

- (1) Number key, Alphabet keys, enter key, space bar, back space or delete key, caps lock key, shift key Arrow keys.
(2) Enter key

Check your knowledge (Page 26)

- (1) (A) font

Chapter 6 Working of a Computer

Check your knowledge (Page-35)

Correct order 2-3-1

Practice time (Page-38)

(A)

- (1) four
- (2) off
- (3) booting
- (4) Close
- (5) on/Restart

(B)

- (1) (i) booting
- (2) (i) monitor
- (3) (i) monitor
- (4) (ii) false
- (5) (i) false
- (6) (i) booting
- (7) (ii) injury
- (8) (i) blank
- (9) (ii) Windows media player
- (10) (i) 5

(D)

- (1) Starting a computer and putting it into a state of readiness to perform operations.
- (2) Turning off the computer and its operations is called shutting down.

(E)

- (1) Yes, if she will not shut down computer properly than she may face problems with computer e.g. improper booting etc.
- (2) computer are sensitive to dust wold be the probable reason for her complaint.

Chapter 7 TOX PAINT

Check your knowledge (Page 46)

1. True (2) False (3) False

Practice time (Page-47)

(A)

- (1) Text (2) Point (3) Quirt
(4) Shape (5) Selector

(B)

- (1) (ii) erase any part of drawing
(2) (i) a new drawing (3) (i) add effects
(4) (ii) logo (5) (ii) Magic tool (6) (ii) Live tool
(7) (i) erase tool (8) (i) Tox Point (9) (ii) 17
(10) (i) 16

(C)

- (1) Tox point program is used to draw pictures and color them.
(2) Point tool is used to do free hand drawing

(D)

- (1) There are 5 parts of the text point window - tool bar, Drawing earvas, selector, Color box, and help area.
(2) Fill tool is used to add colour in our picture.

(E)

- (1) Shapes tool
(2) Fill tool of Magic tool

Additional Question

Chapter 1 Computer A Machine

Practice Time (Page 10)

(A)

(4) Machine are _____.

(5) Computer is a _____.

(B)

(4) These are smaller than tablet computers

(i) Laptop

(ii) Smart phone

(5) Word computer means.

(i) to calculate

(ii) to run

(6) Materials are made by _____&_____

(i) Electricity & battery

(ii) Nature & humans

(7) Machine makes our life _____

(i) Easier

(ii) Fast

(8) Clock works on _____

(i) Battery

(ii) Electricity

(9) Common form of computer is _____

(i) Laptop

(ii) Desktop

(10) Computer has feeling or emotion?

(i) True

(ii) Talse

Chapter 2 Parts of a computer

(A)

(5) All parts of computer are connected to _____box

(B)

(4) Which are among the following is not main part of computer

(i) keyboard (ii) Mother board

(5) _____is used to take point of our pictures

(i) Monitor (ii) Printer

(6) Keyboard is mode up of small buttorn called

(i) Keys (ii) Switches

(7) _____Part of computer has wheels between the buttons.

(i) Mouse (ii) CPU

(8) _____ part of computer is similar to a T.V.

(i) Prints (ii) Monitor

(9) _____monitor does not require keyboard & mouse.

(10) Keys of keyboard hare.

(i) Letter (ii) Drawings.

Chapter 3 Mouse

Practice time (Page 21)

(A)

(5) There are _____ types of mouse clicks.

(B)

(4) _____ contorts the movement of cursor on the screen.

(i) Mouse (ii) Rent

(5) Mouse pointer comes in deferent shapes, colours & size.

(i) True (ii) false

(6) Correct hand to hold mouse is _____

(i) writing hand (ii) Right hand

(7) _____ mouse click is used to select an activity.

(i) Right (ii) Left

(8) _____ mouse click is used to contest an activity.

(i) Right (ii) Left

(9) Which finger is frequently used which moving a mouse?

(i) Ring finger (ii) Index finger

(10) To move up & down ere use _____

(i) Scroll wheel (ii) Buttons

Chapter 4 The Keyboard

Practice time (Page 27)

(A)

- (4) there are ____ Arrow key in keyboard
- (5) _____ and Delete key are used to cease the alphate or number

(B)

- (4) This key is never used in isolation.
 - (i) Caps lock key
 - (ii) Shift key
- (5) This key does not have anything written on it
 - (i) Enter key
 - (ii) Space bar key
- (6) The keys on which words are written.
 - (i) Special keys
 - (ii) Number key
- (7) _____keys erases data from right side of cursor
 - (i) Delete key
 - (ii) Back space keys
- (8) It is the point from where we start typing.
 - (i) Line
 - (ii) Cursor
- (9) Number of shift keys in keyboard are.
 - (i) Two
 - (ii) One
- (10) Key which more cursor up down left & right are.
 - (i) Back space
 - (ii) Arrow

Chapter 5 Storage Device

Practice time (Page 32)

(A)

(5) Computer works on date to give _____

(B)

(4) Device used to read data from memory card is -

(a) Memory card reader (b) Card reader

(5) CD or DVD drive is required to run

(a) CD (b) Pen drive

(6) Devices used to store data

(a) Storage device (b) Memory device

(7) Storage device that are available outside CPU

(a) Flash drives (b) External memory devices

(8) Harddisk available to store data outside CPU is called

(a) External hard disk (b) Internal hard disk

(9) Pen drives are

(a) Bucky (b) Compact

(10) Device used to store picture, videos etc are called

(a) Memory device (b) External device

Chapter 6 Working of a Computer

Practice time (Page 38)

(B)

- (4) We should sit on CPU
(a) True (a) False
- (5) Computer are dust friendly
(a) False (b) True
- (6) _____ helps in proper functioning of computer.
(a) Booting (b) Hooting
- (7) In correct posture while working on computer can cause.
(a) Pain (b) Injury
- (8) Once the shut down procedure is complete, screen becomes
(a) blank (b) black
- (9) Our favourite songs can be listen using
(a) Notepad (b) windows media player
- (10) There are _____ golden rules which using computer
(a) 5 (b) 10

Chapter 7 Tux point

Practice time (Page 47)

(A)

(5) _____ shows all the sub option for a selected tool.

(B)

(4) A symbol or small design adopted by an organisation to identify its products.

(i) Logo (ii) Tool

(5) The stool is used to add different effects in your drawing

(i) Fill tool (ii) Magic tool

(6) The tool used to draw lines of different shape & size

(i) Shape tool (ii) Line tool

(7) The tool used to wipe off unwanted part of your drawing

(i) erase tool (ii) Filter tool

(8) _____ software provide & several colourful carcasses & ready hare picture

(i) Tux point (ii) Ms- paint

(9) In colour box, There are _____ different colours.

(10) There an total _____ tools in tux paint

(i) 16 (ii) 17
